---

**Action Requested:** Consider and act upon a resolution authorizing the City Manager to execute an agreement by and between the City of Frisco and Gametime, c/o Total Recreation Products, Inc. for replacement of a play structure at Duncan Neighborhood Park in the amount of \$48,481.43.

**Background Information:** The agreement submitted is for demolition of an existing playground structure and installing a new playground structure.

The existing playground unit is approximately 14 years old, near the end of its life cycle, and is not compliant with many ASTM and CPSC guidelines. The replacement of the existing equipment is being presented as a separate contract from the upcoming renovation of Duncan Park in the spring of 2010 for several reasons. A design consultant is not needed for this project nor the expertise or abilities of a general contractor. The playground equipment will be installed by the company it is being purchased from once it is manufactured and shipped. The anticipated

installation date will be during the Christmas holiday break of 2009 since this park is shared by Curtsinger Elementary School.

The unit will be disposed of due to the potential liability the City could be exposed to if someone were injured on the equipment once it was removed from the Park.

**Board Review/Citizen Input:** The Parks and Recreation Board has approved this project.

**Alternatives:**

- Approve
- Table
- Not Approve
- Direct Staff to make change

**Financial Considerations:** Funding for the Agreement will be from Park Dedication Funds.

**Legal Review:** The City Attorney developed the contract and the terms and conditions were not altered.

**Supporting Documents:**

- Copy of agreement
- Certificate of Liability Insurance
- Resolution

**Staff Recommendation:** Approve the resolution authorizing the City Manager to execute the agreement.
